**PLAN YOUR TRIP IN 2024!** Have you been thinking about coming east for a visit? Email us at [info@v-kol.com](mailto:info@v-kol.com) to let us know if you would like to volunteer or drop in to see the ministry centre's progress.

We are a tithing ministry which means 10% of everything we receive is allocated to help the poor, support evangelistic outreach, combat human trafficking, help women in crisis pregnancies & support international missions. This year we have also made significant donations to help with those affected by the war in Israel. All this is made possible because of you, our amazing donors!

**WHAT TO EXPECT IN 2024:** More of the same! Our team is committed to continuing to produce quality programming with important information, mobilize prayer and contend for revival in our nation! Thanks for standing with us as we continue to grow year by year.

**Thank you for considering this ministry in your year-end giving. All gifts given by midnight on December 31st are receiptable in this tax year.**

**MERRY CHRISTMAS AND HAPPY NEW YEAR FROM OUR TEAM TO YOU!**
